Our record shows there is a meter at that location. I am going to do a work order to locate the meter location. The cost would be a \$50.00 transfer fee for the new owner.

Comments:

Hello, I am the Realtor selling this lot. I believe there used to be a house there that may have burned down. Is there currently a water meter? If yes, what is the cost of transfer? If no, what is the cost of a new meter? Email is the best way to reach me. Thanks!
